Re: Reject Socialized Healthcare - Kill the Bill!

Gentlemen:

I'm writing to ask you to please reject ANY attempt to force socialized health care or government-mandated health insurance on Americans.

The plans currently being pushed by the Democratic leadership would create rationing through government committees, force all Americans to buy over-priced, politically created health insurance, federally funded abortion, establish "end-of-life" panels, create an economically unsustainable government-run insurance plan, use taxpayer funds to insure illegal aliens, and impose economy-crushing taxes.

And to add insult to injury, the whole process for getting a bill passed has been full of secrecy, backroom deals, "cash for cloture" and other political payoffs -- this is NOT the transparency promised to the American people, and polls show that the majority of Americans are OPPOSED to ANY of these attempts at imposing government-controlled healthcare.

This whole thing is OUTRAGEOUS, and YOU must stop it. Please, do the RIGHT thing -- reject ANY attempt to force socialized health care or government-mandated health insurance on Americans, no matter WHAT form it may take.

Note: As elected officials, we expect you to uphold your solemn duty to preserve, protect and defend the Constitution of the United States of America, as so elected and sworn.

We will not allow lawmakers and this Administration to reshape these beloved United States into a European, socialist state, violating the sovereign rights of citizens.

Please be advised...

We will neither forgive, nor forget. I urge you and your colleagues to listen carefully to the voice of middle-class Americans who are demanding you REJECT this mad dash toward socialism and flagrant violations of the rights of lawful citizens under the Constitution. We are willing to operate on the basis of faith over experience for a while, but we are not fools. We wish for a peaceful return to Organic Constitutional Principles. As elected officials, and by powers delegated to you, your immediate attention is hereby requested to ensure that the rights and freedoms of your constituency, the sovereign citizens of this Constitutional Republic, are respected and maintained.

Respectfully,

Robert W Butler Jr
